The authors found a mistake in selecting Western blot images in Fig. 3. The images of NF $\kappa$ Bp65, beta-actin in Fig. 3 updated with correct ones. We thought that these updated images might not affect the conclusion of our results. We tried to correct Fig. 3 in the last

corrigendum [J Ginseng Res 47 (2023) 168], but it was corrected with an incorrect picture, so we would like to take this opportunity to correct it.

The authors would like to apologise for any inconvenience caused.
