In the article cited above, we are very sorry to inform you of our mistake in the recently published article as above described. We found an error in the Korean title, '국내 청소년의 인플루엔자 예방접종률에 영향을 미치는 요인: 국민건강영양실태조사 4-6기 자료분석'. This is a mistake we made while preparing the manuscript. We are very polite to change the Korean title to '국내 청소년의 인플루엔자 예방접종률에 영향을 미치는 요인: 국민건강영양조사 4-6기 자료분석'.

We apologize for any inconvenience that this may have caused.
