

Correction to Yeom et al. (2022)

In the article “Factor augmentation for cryptocurrency return forecasting” by Yebin Yeom, Yoojin Han, Jaehyun Lee, Seryeong Park, Jungwoo Lee and Changryong Baek (*The Korean Journal of Applied Statistics*, 2022, Vol. 35, No. 2, p189–201, <https://doi.org/10.5351/KJAS.2022.35.2.189>), there were errors in the footnotes of the English and Korean title pages.

The footnote omitted the following in the English title page:

This work is written by enhancing the study of the authors participating in Co-Deep Learning Project in SKKU.

All authors contributed equally in this work.

The footnote omitted the following in the Korean title page:

이 논문은 저자들의 성균관대학교 Co-Deep Learning Project 참가 연구를 추가 보완하여 작성하였음.

모든 저자들이 동등하게 본 연구에 기여함.
