J Oral Med Pain 2022;47(3):135-143

As a result of an administrative mistake the incorrect number of the IRB approval was included in this manuscript. The study was performed under two protocols approved by the Institutional Review Board of Seoul National University Dental Hospital CRI14037 and CRI20004. As a result, in Materials and Methods, under the subheading 'Subjects',

The study was approved by the Institutional Review Board of Seoul National University Dental Hospital and informed consent was obtained from all individual participants included in the study (CRI 08027).

Corrected IRB approval number

The study was approved by the Institutional Review Board of Seoul National University Dental Hospital and informed consent was obtained from all individual participants included in the study (CRI14037 and CRI20004).
